

01:00:00:00

Profile

Emmy Award–winning colorist, post-production supervisor, and DI conform artist with nearly two decades of experience across documentary, feature, and television. Collaborations with cultural icons from The Obamas to Malala Yousafzai. Meticulous attention to detail and deep knowledge of the production pipeline, from pre-production through post and finishing.

02:00:00:00

Qualifications

- Design and supervise post-production workflow for documentary, feature, and episodic television at any scale.
- Develop, deploy, and maintain remote editing infrastructure and color-managed pipelines for distributed teams.
- Online conform and confidence-check from offline cuts across Avid, Premiere, and DaVinci Resolve.
- Look development and creative grading plus dailies color for series and features; HDR and Dolby Vision mastering.
- Negotiate deliverable lists with distributors and hit every spec from commercial to theatrical to streaming.
- VFX and GFX integration, version control, and frame-accurate finishing at any resolution.
- Coordinate vendor networks for QC, manufacture, delivery validation, and long-term archival.
- Emmy-winning sports color (FOX Sports); multiple Sundance-premiered documentaries annually.
- Client-facing remote grading sessions — directors and producers in the chair live.
